

MONTFORT BALLFIELD

- To schedule practices or game times call or email the Village clerk (clerk@montfortvillage.com) to be added to the schedule and the Montfort Ballpark Google calendar link. Once you have been added you will be able to view the schedule.
- Iowa Grant Summer Rec games will take priority and the calendar will be updated as soon as that schedule is available. Any scheduled practices will need to be worked around those games.
- Each coach will input practice times and games on this calendar.
- The Village will drag and line the field for scheduled games.
- Coaches will need to sign out a key from the Village Office for the equipment.
- Coaches must make sure that all equipment is returned to the shed and locked at the end of each practice or game.
- If the lights are used, they must be shut off before leaving.

If you have any questions, you may call the Village Office at 608-943-6917 or Todd at 608-778-9799.
